KANAWAKI GOLF CLUB PROJECT

Proposed Objectives

2

- Hold a community consultation to gather input from all interest holders and obtain direction on the future of the lease (amend/cancel/replace) and the lands in question.
- Ensure that Kanawaki is responsible to return the leased lands uncontaminated.

Current Direction

3

- Participate in discussions with INAC and Kanawaki concerning the status of the existing lease and the 25 year extension.

Status of Project

4

- INAC has finally provided funding to conducted a community consultation.
- Kanawaki was in support of a community consultation.

Status of Project cont'd

5

- Initiated investigation into environmental issues but is not complete. This needs to be completed before the lease ends.
- INAC has carried out a land assessment, without MCK's consent.
- Kanawaki carried out its own land assessment in October 2014 without MCK's knowledge or consent.

Status of Project cont'd

6

- August 2015 – MCK letters sent to INAC and Kanawaki re: Land Value Assessment.
- August 2015 – Grand Chief sent letter sent to ADM requesting to meet and discuss Kanawaki.
- Kanawaki has recently agreed to pay into MSI.
